# Guitar Stacks

---

"This wouldn't have happened if I hadn't had your cock in my ass," Dave growled.

From across the room, James chuckled. "It would have happened anyway, you drunken idiot."

They'd decided to spice up their sex life by fucking over one of the guitar stacks. Only it had toppled, with Dave back flipping over it. All would have been well if one of the cabs hadn't landed on his ankle.

Lying on the couch, his leg in plaster, Dave held out a marker. "Here, fuck face, sign this while you're here."

Sniggering, James did as was asked.
